

 HR QuickStart

Rapid ERP Modernisation

Supercharge Your People Support & Management Capability Fast!

Future Proofed Technology to Help You Thrive Through Dramatic Change

At QUANTI^Q, we understand that often the fear of the process is what puts organisations off modernising their operations and are delighted to have developed a solution which gives you the flexibility to start with the functions you need right now and adapt as your business grows.

If you are an organisation who needs a quality, modern ERP solution with best in-class functionality read on!

What is QUANTI^Q's HR QuickStart Package?

HR QuickStart is our Configuration and Implementation of Microsoft's full HR Solution, **Microsoft Dynamics 365 HR**. A perfect enabler for modernising your workforce experience.

Since its beginning, QUANTI^Q have been at the forefront of Dynamics 365 HR. Benefit from our team's many years of configuration experience, with our Out of the Box HR QuickStart Solution - enhanced with a number of international coding standards and additional extras to springboard your success.

The Out of the Box package provides best-practice user-training, strengthened by our extensive experience in getting the best from your new Human Capital Management (HCM) solution.

With QUANTI^Q's experience and expertise, you can be assured that our solutions cover all your HR requirements.
